**2. Minutes of the Planning Meeting from Tuesday 15<sup>th</sup> February 2022.**

The minutes were taken as a true record of the meeting with no matters arising.

**3. Planning Applications to be considered:**

**A) Ref. No: 21/01523/S73**

S73 variation of approved plans of planning permission S/1102/99/F (Two Dwellings)(Renewal of time limited consent S/1662/97/RM. Land adjacent to 8 High Street, Foxtton.

*Foxtton parish Council recommends approval for this application but would like to raise the following points to be made conditions of the planning approval:*

- i) *The proposed entrance from the High Street into the property means moving the old street sign currently situated on the grass verge. This is an important historic piece of street furniture in the Conservation area. We would like to see this carefully preserved and moved along the verge to be situated outside No 8 High Street, or wherever the Highways department propose to keep it relevant to the road layouts.*
- ii) *The same proposed entrance from the High Street has a large telephone wooden pole with wire stays. If this is to be removed can the telephone cables be put underground from a safety and area enhancement point of view?*
- iii) *Do the windows from the rear elevation overlook the garden of No 12 and if so does this create a residential amenity issue? There is no reciprocal issue from No 12.*
